

Help Morocco and Libya

(EN)??
Hello everyone,
My name is Océane Harvey, I am 29 years old. I would like to speak with you about a subject that affects all of us. We know that Morocco and Libya are going through a very difficult period because today there are 2901 deaths and 5530 injured people due to the earthquake which was felt at a magnitude of 7 on the Richter scale, another minor one happened 2 days ago (4.8).In addition, Libya has now a rising toll of 20,000 deaths, this catastrophe brings chaos and undermines human rights. They need a lot of support, human, material, financial resources and WE CAN help them to recover.Helping them recovering what they lost: BASICALLY EVERYTHING. The solidarity, the mutual help and sharing are my primary values ??since I was a child. So, my projects are:1.GO TO MOROCCO TO HELP PEOPLE & GIVE ALL OUR DONATIONSCause i'll go to Morocco in fews days and they need lot of money to buy material like mattresses, blankets, medicines, clothes.If you want to go to Morocco and create a human trip to help you can contact me at oceaneharvey@gmail.com2.
