Date limite :

2025

After 2 years as apprentice inside IBS Finance team, and 1 year and a half of fixed-term contract, Julie Petrossian will leave IBS organisation for new professional challenges. As her contract will end soon, we would like to offer her some gifts to thank her very much for all the good work done and her continuous good vibes inside IBS Team. If you are invited to participate to this pot, it is because Julie enjoyed very much to meet you and worked with you all along these past years. Thank you in advance for her!
