# Japan Trip

I'm 18 years old, my name is Melissa, my dream would be to go on a trip to take a plane to Japan but the ticket costs 1000 euros unfortunately I can't support myself, my mother doesn't work and my father only earns 800 euros. I tried to find a job for months but nothing at all. I wonder what it's like to travel by plane because I've never been able to do it, I would like to meet the author Hayao Miyazaki from the studio ghibli he rocked my childhood it would be an honor to be able to meet him I will find my smile again, I don't know if you want to help me but it would be very kind of you it would help me, thank you very much ??
