

Going in Russia for my bf Bday.

Hello, my name is Erik and I am 19 years old.

I have been friends with a young Russian for 2 years now and I had promised to visit her for her 21st birthday in May. But with the events between Ukraine and Russia, Visas between France and Russia were blocked. However, they will be valid again from April 1, 2022 but there remains a problem and not the least: financing. I am a digital art student seeking but not yet employed, in a school at 4700€ per year.
